## experienced warehouse worker

Riverside, CA  
earthykins59x@gmail.com - 9512998007

Ive worked mostly warehouse jobs my adult life with the exception of a few construction related jobs

### WORK EXPERIENCE

#### **Runner/forklift driver**

Lowes Home Improvment regional distribution center - Perris, CA - August 2015 to Present

##### Responsibilities

My night begins with me receiving my assignment and grabbing an rf gun, i then grab an equipment saftey check list and assure my forklift or pallet rider is in working condition. My primary job is running non conveyable product from a receiving door to a shipping door in another part of the RDC.

#### **forklift driver/machine operator**

P.E.T global - Perris, CA - January 2015 to August 2015

##### Responsibilities

Operating presses to produce plastic containers for food products, operating forklift to move product/raw materials. Printing and attaching shipping labels/paperwork

##### Accomplishments

To be determined

##### Skills Used

Sit down forklift operation, punch press operation, processing labels/paperwork, working with a language barrier/learning spanish on the fly

#### **amazon warehouse associate**

Amazon - Moreno Valley, CA - August 2014 to December 2014

##### Responsibilities

General inbound dock duties, trailer dock lock, pallet/parcel check in, loading/unloading trailers with a standup forklift or by hand, sorting etc.

##### Accomplishments

Gained a massive amount of experience that only amazon as a company could allow, 50+ hours on a forklift a week, getting to be a recive clerk, rf gun experience, being immersed in the world of distribution like i never have before at another warehouse.

##### Skills Used

Rf gun usage, stand up forklift operator, pallet jack usage, dock master program, tdr (trailer dock restraint) lead, yard audits, loads of paperwork , general manual labor

#### **laborer**

heath the handyman - Riverside, CA - January 2008 to September 2013

##### Responsibilities

General construction and re modeling, lifting over 50 lbs, being in charge of tools and equipment, overseeing a group of laborers

Accomplishments

I was the heart and soul of the company nothing got done without me

Skills Used

Common sense, physical strength, coordination, leadership, picking up tools/ materials

**Warehouse Worker**

fresh and easy - Moreno Valley, CA - April 2007 to August 2008
