

Plan Details - Cancer and Heart/Stroke Coverage

A life-threatening diagnosis is scary enough. With Cancer and Heart/Stroke coverage, if you're diagnosed with life-threatening cancer, heart attack* or stroke*, your family won't be burdened with additional financial worries. You'll receive a lump-sum cash benefit to replace lost income, seek medical treatment or cover household expenses.

Cancer and Heart/Stroke is an affordable, flexible and simple way to get extra financial help when you need it most.

- Coverage for cancer only, heart attack/stroke only, or cancer and heart attack/stroke
- You receive a lump-sum benefit upon life-threatening diagnosis
- Benefits are paid regardless of the doctors, hospitals or treatments you choose
- Plan pays in addition to any other coverage you may have
- Plan pays benefits per covered person

** Plan pays Heart/Stroke benefits for coronary artery disease or cardiac arrhythmia resulting in heart attack, coronary artery disease or cardiac arrhythmia resulting in coronary artery bypass, coronary artery disease resulting in coronary angioplasty and cerebrovascular disease resulting in stroke.*
