## WORK EXPERIENCE

### **Sales Associate**

Cloud Marketing, Inc - Rancho Cucamonga, CA - February 2015 to Present

#### Responsibilities:

One job duty I had was sales. I sold new rates on gas and electric. We cold called customers. Also I was in verification which required a lot of customer service experience.

### **General production**

Unifirst Corporation - Ontario, CA - July 2013 to January 2015

#### Responsibilities

I was always at a different job. I unloaded trucks, then they would make me roll mats, and then sling or go to the wash alley. Every job required a lot of skill and hard work.

#### Accomplishments

I learned every position and the responsibilities of them.

#### Skills Used

There was basic math, having to remember formulas. A lot of having to remember and skill.

## EDUCATION
