**RE: Mississippi Agent Appointment Renewal**

**Agent Renewal ID: AA0656074**

**Dear SYLVIA CHANEY**

### **Why am I receiving this notification?**

Immediate action is required to maintain your active appointment status with Assurant Health in the state of Mississippi. You are required to pay an appointment renewal fee of \$25.00 **at least one day prior to March 1, 2016.**

By renewing your appointment with Time Insurance Company, you'll maintain your ability to submit new business applications for Assurant Supplemental Coverage and the Assurant Self-Funded Program, if available, on behalf of customers who reside in Mississippi. Assurant Health announced an exit from the health insurance marketplace earlier this year. Therefore, Assurant Health no longer markets major medical products and will not participate in the next Affordable Care Act open enrollment period. In addition, Assurant Health's Short Term Medical product is no longer available.

### **How do I avoid termination of my appointment?**

Assurant Health requires that all appointment and appointment renewal fees are paid online using a credit card in order to keep your appointment(s) active.

The online renewal fee payment process is secure, quick, convenient and easy! Just follow these four steps:

1. Log in to [www.assuranthealthsales.com](http://www.assuranthealthsales.com)
2. Click the View Commissions & Licensing link near the top of the page, then
3. Click the View Dashboard link, then
4. Click the Agent Profile link, then
5. Click the Make a Payment link, and
6. In the Payment Option list, select "Appointment fee renewal payment".

Once you select your payment option, you will be guided through the renewal fee payment process to completion and receive a confirmation of your transaction.

### **What to do**
