WORK EXPERIENCE

Amazon Warehouse Associate

Amazon.com - Moreno Valley, CA - August 2015 to Present

Responsibilities

Receiving. Stow all the products away so the customers are able to buy them once they are on the shelves and so that the pickers can make the orders and be able to ship them out faster.

Accomplishments

Able to quickly put the products away so that the customers would be able to receive the product faster. I always end up ranked top 25%. Was able to learn many different departments in receiving.

Skills Used

working fast at putting the products away. worked on how to quickly work the scanners. learned the computers to be able to receive the products and make the customers able to buy them. Use the software to check for any mistakes that anyone made

Customer Service

7-Eleven - Eastvale, CA - July 2014 to December 2014

Responsibilities

Customer service associate. Worked the cash register, Made coffee. worked with gas

Accomplishments

Able to help people everyday with gas or anything else they needed. To be able to get close with the regulars and make relationships with the customers.

Skills Used

working the cash register, to be able to remember all of the cigarettes.
