WORK EXPERIENCE

clamp operator

Inbound - Rialto, CA - November 2013 to Present

The duties i was in charge of at toysrus DC was to unload all inbound trailers and stage the product received into the designated locations. i was also required to sign in all live load trailers, as well as signing out all live load trailers. I

am also apart of the 100% club at toysrus, which means I receive all my product at a 100% production time.

Forklift operator

Inbound/Outbound/Forklift - April 2013 to October 2013

NFI Logistics - Ontario, CA

My responsibilities during my employment at NFI Logistics was to Receive all inbound product as well as stage product into the designated outbound trailers. I was also responsible for operating a sit down forklift as needed>
