Hi Felicia,

It was a pleasure speaking with you today and getting you situated with your health care coverage for the following year. Here is a quick run down of your new Ambetter Policy:

**Major Medical \$88**

deductible: \$600  
max out of pocket: \$600  
Dr visits: \$0.00  
Specialist: \$5.00  
Generic RX: \$0.00

**Insurance Concierge \$14.99**

\*\* This is the portion of your policy that has medical, dental, vision and hearing discounts as well as the \$0 Tele-medicine option where you can call a Dr 24/7 explain your signs and symptoms and as long as you are not needing to be prescribed a narcotic the DR can send you a prescription straight to your local pharmacy.

For compliance reasons each portion of the policy must be billed separately this ensures that you will always know which portion of your policy is in effect. You will see (2) charges monthly every month \*see above; they will always total \$102.99.

Should you have any questions and or concerns please feel free to reach out directly to me should you need anything. You should be receiving your hard cards and all your policy information in the next few weeks,

Thank You,

*Brandi Salisbury*
