WORK EXPERIENCE

Technician

Elite Line Services - Los Angeles, CA - May 2015 to Present

Complete scheduled and unscheduled maintenance and emergency repairs of Baggage Handling Systems and Passenger Boarding Bridges; Mentor, train, and assign tasks of other personnel assigned to assist in maintenance and repair activities in the absence of Senior Technicians and/or Supervisors.

Maintenance Supervisor/Technician

Elite Line Services (ELS) - Atlanta, GA - September 2007 to April 2015

Coordinated repairs, inspections, maintenance and overhauls of electrical systems and conveyor belts with the City of Atlanta for the purposes of airport operations that minimize customer downtime. Facilitated training and development of site personnel. Distributed and monitored the progress and completion of routine maintenance/inspections to conveyors, motors, gear boxes, VFD drives, logic controllers, single and 3 phase motors. Ensured compliance with applicable OSHA, state, local, and company state laws, regulations, policies, and procedures.
