Understanding Your Critical Condition Accelerated Benefit Rider

This document provides a general summary of the Critical Condition Rider. It is intended to help You (the covered person under the Rider) understand this valuable coverage. It is not the Rider or the Policy contract with Colorado Bankers Life Insurance Company ("We", "Us"). The Policy and Rider contracts set forth the terms and limitations applicable to the Rider. (Terms which have definitions are capitalized). PLEASE READ THIS DOCUMENT CAREFULLY.

TAX & PUBLIC AID

Benefits paid under the Rider may be taxable. If so, the person who receives such benefits may incur a tax obligation. As with all tax matters, a personal tax advisor should be consulted to assess the impact of the receipt of this benefit. Also, any person who receives payment of accelerated benefits from a life insurance policy may lose his or her right to receive certain public funds, such as Medicare, Medicaid, Social Security, Supplemental Security, Supplemental Security Income (SSI), and possibly others.

II. HOW THE RIDER OPERATES

A. BASIC OPERATION OF THE RIDER

The benefits of the Critical Condition Rider (the "Rider") are provided in addition to any other benefits provided under the Life Insurance Policy to which it is added (the "Policy"). The Policy and the Rider must be in force for the Rider to provide any benefits. If the Policy or the Rider end, the Rider provides no benefits.

If the Primary Insured under the Policy experiences a Covered Condition, is eligible for benefits under the Rider, and meets all the other terms and requirements of the Rider, We will pay the benefits described in the Rider. Those benefits are payable to the Owner ("You") under the Policy, or in the event You do not survive the date a claim is payable under the Rider by 30 days, then to the Beneficiary under the Policy, using the Policy's rules for paying the death benefit to the Beneficiary. The amount of the benefit payable to the Owner under the Rider will depend on the Covered Condition that the Primary Insured experiences.

Covered Conditions have the definitions given below. Those definitions must be satisfied for benefits to be payable under the Rider.

The amount of benefit payable for a Covered Condition is 100%, 25%, or 10% of the Face Amount of the Policy. The specific percentage of the Face Amount of the Policy payable for each Covered Condition is given below. No more than a total of 100% of the Policy Face Amount (as defined in the Rider), prior to deducting any amount payable under the Rider, will be payable under the Rider.

To be eligible for benefits under the Rider: (1) the First Ever Diagnosis or procedure involving a Covered Condition must occur, after the Waiting Period, and while the Rider is in force, and must satisfy the other rules under the Rider; and (2) a request for benefits that complies with all the rules for filing such claim must be made to Us.

B. AMOUNT PAYABLE FOR EACH COVERED CONDITION

The percentage of the Policy's Face amount (death benefit) that is payable for each Covered Condition is listed below:

- Covered Conditions eligible for <u>100%</u> of the Policy Face Amount
 - (1) Advanced Alzheimer's Disease
 - (2) Major Burns
 - (3) Heart Attack
 - (4) Invasive Cancer

- (5) Loss of Independent Living
- (6) Loss of Limbs
- (7) Major Organ Transplant
- (8) Paralysis
- (9) End-stage Renal Failure
- (10) Stroke
- (11) Terminal Illness
- Covered Conditions eligible for <u>25%</u> of the Policy Face Amount
 - (1) Coronary Bypass Surgery
 - (2) Heart Valve Replacement/Repair Surgery
 - (3) Aortic Surgery
- Covered Condition eligible for 10% of the Policy Face Amount
 - (1) Angioplasty

C. PAYMENT OF BENEFIT - EFFECT ON POLICY

When 100% of the Face Amount of the Policy is paid under the Rider, the Policy will end. When a benefit of less than 100% of the Face Amount is paid under the Rider, the following will occur: (1) the Face Amount of the Policy will be reduced by the amount of benefit paid under the Rider; (2) the premium for the Policy will be reduced to reflect that reduction; (3) these changes to the Policy will be effective as of the Eligibility Date of the Covered Condition supporting the benefit payment; and (4) the Rider will continue, but benefits for later Covered Conditions will be subject to the Rider's rules, including those for repeat occurrences of a Covered Condition stated below. The Eligibility Date is defined below.

D. GENERAL LIMITATIONS

Waiting Period - before benefits are payable

Benefits will be payable under the Rider for a Covered Condition, only if: (1) the Eligibility Date for that Covered Condition is 30 or more days after the Rider first goes into effect, or 30 days after the Rider is reinstated, whichever is later; and (2) the Policy and Rider are in force at the time that Covered Condition occurs. Otherwise, no benefits will be payable for that Covered Condition.

Requirements of Diagnosis

For proof of an occurrence of a Covered Condition, We must receive a Diagnosis of a Covered Condition by a Legally Qualified Physician, including documentation supported by clinical, radiological, histological and laboratory evidence of the Covered Condition. The proof of occurrence must be satisfactory to Us; and We may require, at our expense, an exam or further tests by a physician of our choice.

Repeat Occurrences of a Covered Condition

If less than 100% of the Face Amount of the Policy is payable for a Covered Condition, only one benefit will be payable for that Covered Condition even if there is a later occurrence of the same or a similar condition. A similar condition includes any Covered Condition eligible for the same percentage of the Policy Face Amount as a benefit.

The Rider (Form Series CCR-4-2010) and the Policy contain additional limitations. This is a summary document and not part of your contract with Us. It is designed to assist you in understanding the Rider. In the event of a conflict between this summary and the Rider, the Rider will control. Please read the Policy and Rider. If you have any questions, contact your Agent or Us. The Rider is underwritten by Colorado Bankers Life Insurance Company®.

Major Heart Surgery Benefit Pre-conditions

- A report from a consultant cardiologist, to include evidence of prior treatment using appropriate medication,
- Evidence of significant electrocardiogram (EKG) changes,
- Angiographic evidence of the underlying disease, and
- An unequivocal recommendation for the surgery from a consultant cardiologist.

Claim Rules

Notice of Claim and Proof of Loss

We must be given written notice of claim for a Covered Condition within 30 days after the Eligibility Date for that Covered Condition or as soon as reasonably possible. Written proof of loss must be given to Us within 90 days after the Eligibility Date of the underlying Covered Condition, or as soon as reasonably possible, but never later than two years from the time the proof is required except as stated below or in cases of legal incapacity.

When We receive a notice of claim, We will send forms for filing proof of loss. If We do not furnish these forms within 15 days of the notice, the person making the claim will have fulfilled the requirements of the Rider for the filing of such proof upon sending Us written proof of the Covered Condition involved, the affected person, and the extent of the loss.

Other Rules

- (1) No benefits will be payable for a Covered Condition if it results from any of the following:
 - (a) The misuse of alcohol or taking of drugs (other than under the direction of a registered medical practitioner other than the Primary Insured or a member of the Primary Insured's immediate family);
 - (b) Suicide prior to the Rider being in effect for two years, or injuries intentionally self-inflicted, whether sane or insane;

- The Death Benefit under Policy is reduced to \$37,500
- o The Policy's current annual premium of \$520 reduces to \$395

Note: The premium reduction is not pro-rata because the Policy premium includes a \$20 policy fee which does not vary with the Face Amount and is not reduced.
