#### What should I do if I think my eligibility results are wrong?

If you don't agree with what you qualify for, in many cases, you can ask for an appeal. Please review your eligibility notice to find appeals instructions specific to each person in your household who applies for coverage, including how many days you have to request an appeal. Here's important information to consider when requesting an appeal:

- You can have someone request or participate in your appeal if you want to. That person can be a friend, relative, lawyer, or other individual. Or, you can request and participate in your appeal on your own.
- If you request an appeal, you may be able to keep your eligibility for coverage while your appeal is pending.
- The outcome of an appeal could change the eligibility of other members of your household.

To appeal your Marketplace eligibility results, visit <u>HealthCare.gov/marketplace-appeals/</u>. Or call the Marketplace Call Center at **1-800-318-2596**. TTY users should call **1-855-889-4325**. You can also mail an appeal request form or your own letter requesting an appeal to **Health Insurance** Marketplace, Dept. of Health and Human Services, 465 Industrial Blvd., London, KY 40750-0001. You can appeal eligibility for purchasing health coverage through the Marketplace, enrollment periods, tax credits, cost-sharing reductions, Medicaid, and CHIP, if you were denied these. If you qualify for tax credits or cost sharing reductions, you can appeal the amount we determined you're eligible for. Depending on your state, you may be able to appeal through the Marketplace or you may have to request an appeal with the state Medicaid or CHIP agency.

PERSON who filled out Step 1 should sign this application. If you're an authorized representative, you may sign here as long as you've provided the information required in Appendix C.

#### **Questions about life changes**

(You must complete the rest of this application along with this page. Don't submit this page by itself.)

If anyone on this application experienced certain life changes in the past 60 days, fill out the following questions. Certain life changes allow your coverage through the Marketplace to start right away. We also recommend you answer these questions if you're applying after the annual Open Enrollment Period ends and before the next annual Open Enrollment Period starts later in the year.

These questions are optional. If your life circumstances haven't changed, you can leave the answers blank. Members of federally recognized tribes and Alaska Native shareholders can enroll in coverage through the Marketplace any time of the year.
